Dear Chuck,

This ECP is technically approved by the SPO.  
Request you provide [ ] with formal authority to  
proceed with it.

STATINTL

[ ] should provide two Field Service  
Bulletins to implement this change - one for antenna  
controls and a second for antenna control testers. Also,  
[ ] should change the tester part number after  
modification.

We have been advised that [ ] intends  
to use a field team to modify antenna control testers which  
have been delivered.

STATINTL

Regards,
